

**Robert E. Cronin, M.D.
Chief of Staff
Department of Veterans Affairs
North Texas Health Care System
Dallas, Texas**

Robert E. Cronin was appointed Chief of Staff for the Veterans Affairs North Texas Health Care System in December of 1996, which covers the medical facilities in Dallas and Bonham and the Fort Worth Outpatient Clinic. Prior to this appointment, he served as Chief of Staff for the Dallas Veterans Affairs Medical Center from September of 1994 to December of 1996. A member of the Veterans Health Administration since 1976, Dr. Cronin also has served as Chief of the Hemodialysis Unit and Chief of the Renal/Hypertension Clinic.

In addition to his responsibilities for the Veterans Affairs North Texas Health Care System, Dr. Cronin is a Professor of Internal Medicine and, since September 1994, has served as the Associate Dean for Veterans Affairs at the University of Texas, Southwestern Medical Center in Dallas.

Dr. Cronin is a graduate of Loyola University Stritch School of Medicine and completed his postgraduate training at the University of Colorado Medical Center. He is a Diplomat of the American Board of Internal Medicine, a Diplomat in the Subspecialty of Nephrology, and a fellow in the American College of Physicians. Through his years in the medical field, Dr. Cronin has written over 37 investigative reports, 48 scientific abstracts, and 22 chapters in various textbooks.

Dr. Cronin is married to Susan Hendrix Cronin, and they have two sons, Stephen and James.
